This document provides instructions for preparing an abstract for NanoTech Insight'09. You can use this document as a template, by simply cutting and pasting into it. Page size is B5 (17,6 cm x 25,0 cm). The page should be divided into two columns as displayed here (width: 7,32 cm, Gutter: 0.42 cm). Important: **Abstracts are not to exceed one page.**

The title must be typed in Times New Roman (size 12, bold) with only the first letter of the first word capitalized.

Author names must be typed using Times New Roman (size 10, Italic) with the name of the presenting author in **bold**. Identify each author with a superscript letter placed after the author's name. The affiliation of each author is to be identified by the superscript letter placed at the beginning of the address. The affiliation and the keywords are typed in Times New Roman (size 8).

The main text is typed in Times New Roman (size 10) and begins after the keywords. Figures should be horizontally centered in their column. For an example of how your figure should appear with its caption see the blue box below.

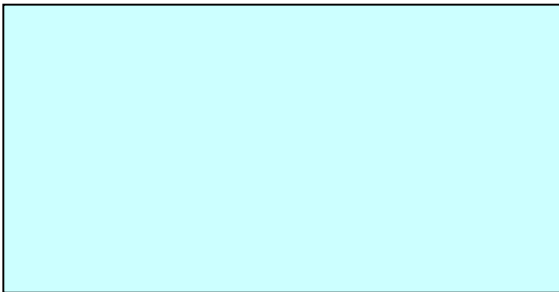

Fig. 1 Figure captions are to be typed in Times (size 8). (a) explanation of picture, (b) explanation of picture (c) explanation of picture.

There is no limit to the number of figures, however the abstract including all figures must not exceed one page. If your abstract is accepted we will contact you to provide us with high-resolution images of your figures for print.

Acknowledgements should be in the same

format as body text, but without paragraph indentation. References should be in Times New Roman (size 8), with the initials of the authors followed by their last name, the Journal name (Italic), the volume (Bold), page numbers, and then the year in brackets (see example below). References should be indicated in the text by using square brackets like this [1].

Please note: your abstract file must be named: "Abstract (hyphen) Lastname of presenting author (hyphen) Firstname" (e.g. "Abstract-Einstein-Albert.pdf"). Only pdf files will be accepted.
